DR ANTHONY HAMMOND

MD, FRCP

RHEUMATOLOGIST

MEDICO LEGAL EXPERIENCE:

Dr Anthony Hammond is a Rheumatologist who has been an Expert Witness since 2016. He has acquired Bond Solon training and has completed the full Cardiff University Course (CUBs).

He is instructed by both Claimants and Defendants in both personal injury and clinical negligence cases. Dr Hammond has a balanced ratio to his report writing and has appeared in Court (approx. x5 attendances) and is well versed in giving evidence on behalf of both Claimant and Defendant with the majority of successful outcomes.

During his 15+ years as an expert witness he has completed over 2,500 reports, with over 1,000 of these reports pertaining to clinical negligence claims (approx. 15-20pcy). The is able to opine on breach of duty condition and prognosis, causation and liability cases.

Dr Hammond has a specialist interest in spinal pain and related spinal conditions including sciatica and cauda equina syndrome.

CLINICAL EXPERIENCE:

Dr Anthony Hammond has been a Consultant since 1980 and is currently a Consultant at The London Clinic and The London Spine Clinic. He specialises in rheumatoid arthritis, SLE, osteoarthritis, gout, spondylarthropathy, back pain, slipped disc, sciatica, neck pain, arm pain, whiplash, chronic pain and fibromyalgia.

Dr Hammond has a subspecialty interest in interventional spinal pain management, as such he is a member of the International Spinal Intervention Society where he is active in teaching and development as a European Instructor.
