MEDICO LEGAL EXPERIENCE:

Mr Mark Prempeh is a Consultant Spinal Surgeon. He has completed Bond Solon training and is instructed on personal injury and clinical negligence cases.

Mr Prempeh has been preparing expert witness reports for 5+ years, in that time he had opined on more than 500 cases. He is well versed in reporting on Breach of Duty, Condition and Prognosis, Causation, Catastrophic and Serious Injury, as well as Personal Injury related cases.

He has been summoned to Court on several occasions, but as yet, has not been required to give evidence.

MR MARK PREMPEH

MBBS, FRCS (GLASG) (TR AND ORTH)

CONSULTANT SPINAL SURGEON

CLINICAL EXPERIENCE:

Mr E Mark Prempeh is a Consultant Spinal Surgeon at the Mid and South Essex Hospital (Broomfield) and East Suffolk North Essex Foundation Trust (Ipswich)

He obtained his medical training in the University of the West Indies and trained in Trauma and Orthopaedics on the East of England Orthopaedic Training programme.

Mr Prempeh obtained FRCS in (Trauma and Orthopaedics) at the Royal College of Surgeons of Glasgow in 2015. He undertook extensive training in Spinal surgery during fellowships at reputed centres including Ipswich, Stoke and Exeter. He was appointed a Consultant Spinal surgeon in 2018.

He is an associate lecturer at ARU (Chelmsford) and AUA (Antigua).

His current practice involves all aspects of spinal surgery (cervical, thoracic and lumbar) and he provides a spinal on-call service as a part of an 8-member team in Ipswich. Special interests include spinal infections, minimally invasive (keyhole) surgery for lumbar spine, anterior lumbar surgery and scoliosis surgery.

Example of clinical procedures:

- Nerve Root Block +/- Image Guidance (including Bilateral) LUMBAR - (1-5)
- Posterior excision of disc prolapse with undercutting facetectomy +/- decompression - lumbar region (1 or 2 levels) - (1-5)
