Mr Singh has been a medicolegal expert for over 5 years and in that time has completed over 500 reports, on both Claimant and Defendant, clinical negligence and personal injury cases.

MR SAMEER SINGH

MBBS, BSC, FRCS, (ENG) TRAUMA AND
ORTHOPAEDICS

CONSULTANT TRAUMA AND ORTHOPAEDIC SURGEON

Although Mr Singh is able to opine on both upper and lower limb orthopaedic injury, he specialises in upper limb (hand/wrist/elbow/shoulder) and associated neuropathic pain conditions.

During his time as a medico legal expert, he has provided opinion on over 100 clinical negligence cases (approx. 5pcm). He has a special interest in motorcycle/cycling injury and the impact on upper limb(s).

He has had previous opportunity to give evidence in Court and has received witness summons for pending trial dates.

CLINICAL EXPERIENCE:

Mr Singh has served as the Clinical Lead for Trauma & Orthopaedics at Bedford Hospital since 2017. Additionally, he holds the positions of Head of Incident and Mortality Investigation and Lead Consultant Appraiser for the Trust.

Mr Singh's responsibilities encompass orthopaedic trauma, soft tissue injuries, and his primary focus lies in upper limb injuries, covering hand, wrist, elbow, shoulder, and neuropathic damage.

He has been the Educational Supervisor at Bedford Hospital since 2011 and has conducted extensive teaching on upper limb surgery across the UK. He actively participates in continuous professional development, regularly attending clinical and medico-legal conferences.
