MEDICO LEGAL EXPERIENCE:

Mr Venkat is a Consultant Orthopaedic Surgeon who has over 16 years' medico legal experience on both a single and joint expert basis. He has completed both the Premex and Bond Solon training and is instructed by Claimants and Defendants on criminal, civil, family, personal injury and clinical negligence cases.

Dr Venkat has a balanced ratio of CN and PI work and is happy to opine on condition and prognosis, breach of duty, liability and causation.

Dr Venkat completes approx. 200 reports a year, with 40+ being clinical negligence related.

CLINICAL EXPERIENCE:

Mr Venkat has been practicing for over 30 years. He deals with matters relating to all areas of elective orthopaedic surgery, orthopaedic trauma and (keyhole) knee arthroscopies.

Mr Venkat joined Royal Orthopaedic Hospital in Birmingham as an Independent Consultant, taking full responsibility of patient care as well as conducting two outpatient clinics. He later continued to develop his experience in a range of general trauma procedures like interlocking nails for long bone fractures and hand trauma.

His special clinical interests include general trauma, hip and knee joint replacement surgery, hand, shoulder and wrist surgery and sporting injuries pertaining to knee, hip and foot/ankle .

Mr Venkat has extensive experience in working within a large team of health professionals, regularly participating in Audit and research activities.
