## CURRENT ROLE

---

- Honorary Clinical Psychologist, NHS Pain Service, The Walton Centre, Liverpool.
- Senior Clinical Tutor on the Doctorate for Clinical Psychology, University of Liverpool.
- Runs a successful private therapy practise in the North of England specialising in medical psychology.

## PREVIOUS ROLES

---

- Chaired the North West Pain Psychologist Specialist Interest Group from 2008 to 2010.
- Contributing to the Royal College of Anaesthetists' Raising the Standard: a compendium of audit recipes (2020).
- Currently the national psychology representative for the British Pain Society's Pain Management Programme SIG.
- On the national working group for pain management programme guideline revision.

## CLINICAL EXPERIENCE

---

- HCPC registered Clinical Psychologist with over 15 years' experience in the NHS and the private sector. She is highly specialist in medical psychology; the application of psychological assessment and treatment in chronic illness, including chronic pain.
- She has also worked in several NHS trusts in various medical specialties, including intensive care units. Dr Bashforth is well-published and is also regularly asked to peer review work and present at conferences and seminars. In recent times, she has presented at the British Symposium of Diabetic Neuropathy as well as a webinar for the Expert Witness Institute on the role of psychology in litigation in chronic pain cases.
- Excellent communicator with invaluable experience in applying her expertise in legal contexts.

## EDUCATION

---

- BSC, University of Liverpool, 2002.
- Clin.Psy.D, University of Manchester, 2007.
