Dr Hannah Bashforth is an HCPC registered Clinical Psychologist and has been an Expert Witness since 2012. She has Bond Solon training and is instructed on complex clinical negligence and personal injury claims for Claimants and Defendants.

DR HANNAH BASHFORTH
BSC (HONS), CLIN.PSY.D

CLINICAL PSYCHOLOGIST

CLINICAL EXPERIENCE:

Dr Bashforth is an HCPC registered Clinical Psychologist with over 20 years' experience in the NHS and the private sector. She is highly specialist in medical psychology; the application of psychological assessment and treatment in chronic illness, including chronic pain.

Dr Bashforth works at the University of Liverpool and holds a position as Academic Director on the doctoral Clinical Psychology Programme. She has also worked in several NHS trusts in various medical specialties, including intensive care units. Dr Bashforth is well-published and sits on several national committees, including the British Pain Society and Pain Management Programme Guidelines committee. She is also regularly asked to peer review work and present at conferences and seminars. In recent times, she has presented at the British Pain Society Annual Scientific Conference, as well as a webinar for the Expert Witness Institute on the role of psychology in litigation in chronic pain cases.

Dr Bashforth is an excellent communicator with invaluable experience in applying her expertise in legal contexts.
