- Fibromyalgia

MEDICO LEGAL EXPERIENCE:

Dr Kirkor began his medicolegal practice in 2011 and specialises in anaesthesia and chronic pain. He is instructed by Claimants and Defendants in personal injury, clinical negligence and criminal cases.

Dr Kirkor prepares approximately 40 reports per annum and actively pursues professional development in the medicolegal field. He remains up-to-date with relevant training, and has completed Bond Solon and Expert Witness Institute courses.

Although Dr Kirkor has over 10 years' experience as a medicolegal expert, he is yet to attend Court. He has received witness summons in the past, but they have settled prior to the case(s) going to Court.

CLINICAL EXPERIENCE:

Dr Kirkor is an Independent Consultant in Anaesthesia & Pain Medicine. He served as the Clinical Lead for Pain Services at Shrewsbury & Telford Hospitals NHS Trust from 2010 to 2019 and, although he retired from his NHS role in October 2020, he maintains a private practice and occasionally takes on locum jobs within the NHS.

DR ZBIGNIEW KIRKOR

MD, PHD, EWI CERT.

BILINGUAL: ENGLISH, POLISH

CONSULTANT IN ANAESTHESIA & PAIN MEDICINE

Dr Kirkor's expertise encompasses interventional pain medicine, interventional medicine in MSK conditions, spine pain, whiplash injury, Whiplash-Associated Disorders, and Complex Regional Pain Syndrome.

From 2014 to 2019, Dr Kirkor held the position of appraiser at Shrewsbury & Telford Hospitals Trust, conducting 10-15 appraisals a year, which was among the highest in the trust.

In 2018, Dr Kirkor established the UK's first and currently only Regenxx Clinic in Europe, following comprehensive training in Regenxx clinics in the USA. The clinic focuses on regenerative medicine, utilising stem cells and platelet-rich plasma for musculoskeletal and spine conditions.

Dr Kirkor has delivered lectures on regenerative orthopaedics at national and international conferences and courses. He remains dedicated to professional development by actively participating in regenerative medicine conferences and courses.

His exceptional skills were acknowledged when he received The Lawyers Monthly Magazine's Anaesthesia & Pain Medicine Consultant of the Year 2017 Award.

In December 2022, Dr Kirkor received recognition from the Chancellor of the Medical University in Gdansk for his research achievements.

In April 2023, he became an Appraiser for the Independent Doctors Federation.
