MEDICO LEGAL EXPERIENCE:

Ms Gillham started undertaking medicolegal work in 2013. Ms Gillham has worked independently through a large national organisation providing Rehabilitation and Care Expert reports and Physiotherapy Expert reports. She has written approximately 150 reports since starting this work.

She has written a number of reports for Court as a Case Manager, chaired case review meetings, and appeared in Court as a Witness of Fact, instructed by the Claimant for a client with complex disability.

CLINICAL EXPERIENCE:

Ms Gillham is based in Sussex and has been a qualified physiotherapist since 1987. She worked at the Royal Free Hospital, Hampstead prior to undertaking further post graduate qualifications in Health Education and Health Promotion at Leeds University.

Ms Gillham has worked in community-based services since that time with a wide variety of client groups including people with learning disability, chronic physical disability and more lately has developed a specialism in care and rehabilitation for people with chronic pain.

Ms Gillham is Clinical Director of a community-based service providing rehabilitation for individuals with chronic pain.

MS ALISON GILLHAM

MCSP, PG DIP H. ED.

**PHYSIOTHERAPIST
CARE / REHAB**

Ms Gillham takes on a mentoring role, training and supervising fellow therapists. Moreover, she has conducted in excess of 600 assessments and produced reports for the Department for Work and Pensions Access to Work scheme.

Additionally, she offers her expertise as a pain specialist for Connect Health Pain Services as an Advanced Practitioner providing assessment and clinical specialist intervention and running Pain Management Programmes.

Throughout her career, Ms Gillham has predominantly worked in the assessment and treatment of individuals in community and workplace settings. She has held senior clinical roles in various multidisciplinary community teams.

Her experience encompasses the assessment and provision of care as a case manager for clients with head injuries. Furthermore, Ms Gillham possesses significant expertise in manual handling and evaluating client equipment and care requirements within this domain.

Of special note is Ms Gillham's passion for pain management, rehabilitation, and the ergonomic needs of individuals in a work environment. She maintains her commitment to professional development by actively participating in various training courses and has undertaken a number of medicolegal training days, including Courtroom Experience. She has provided training and given talks at various medicolegal conferences and events.
