CURRENT ROLE:

Consultant in Anaesthesia and Chronic Pain Management

Queen Elizabeth Hospital, Lewisham & Greenwich NHS
Trust, London (August 2004 - present)

CASES RELATING TO:

Dimitri has extensive experience in cases associated
with:

- Musculoskeletal back and neck injuries
- Neuropathic pain
- Complex regional pain syndrome and chronic pain
syndrome cases
- Work related injuries
- Ongoing pain following road traffic accidents
- PTSD
- Soft tissue trauma
- Fibromyalgia
- Cauda equina syndrome
- Spinal cord injury

MEDICO LEGAL EXPERIENCE:

Dr Leschinskiy has been an Expert Witness since
2011. He has received various forms of training and
is instructed by both Claimants and Defendants in
personal injury cases.

CLINICAL EXPERIENCE:

Dr Leschinskiy is a full-time Consultant in Pain Medicine
and Anaesthesia. He qualified from State Medical
University of Donetsk, USSR. He received further
training at Bath and the London School of Anaesthesia.

He is particularly interested in issues of functional
restoration in pain patients and the role of opioids in
non-malignant pain.
