DR RAHUL GURU

MBBS, MD, FCARCSI, DPMCAI

PAIN MANAGEMENT CONSULTANT

BILINGUAL: ENGLISH, HINDI

Pain Medicine in both Ireland and England and obtained excellent training in this sub-speciality. Dr Guru has been awarded the Fellowship in Anaesthesia and the Diploma in Pain Medicine, awarded by the College of Anaesthetists of Ireland and its Faculty of Pain Medicine, respectively.

Dr Guru has assumed leadership roles and actively contributed to various research projects, with numerous articles published in peer-reviewed medical journals. A commitment to staying at the forefront of the field is evident in regular attendance at conferences and workshops, ensuring currency with the latest advancements in pain medicine.

Teaching is a key aspect of Dr Guru's professional life, involving the education of pain medicine trainees and medical students, as well as participation as a faculty member on relevant courses. Furthermore, Dr. Guru shoulders the responsibility of training junior doctors at the University Hospital of Wales.

Within the NHS, Dr. Guru serves as a Consultant in Pain Medicine and Anaesthetics at the University Hospital of Wales and University Hospital Llandough. His practice revolves around the treatment of diverse chronic pain conditions, with a distinct focus on spinal pain, neuropathic (nerve) pain, headache, migraine (including Botox for migraine), and cancer pain.

Dr. Guru adheres to a holistic approach to patient management, consistently following the biopsychosocial model of pain care.
