MEDICO LEGAL EXPERIENCE: _____

Dr Ranganna is an experienced Consultant Neonatologist and has been an Expert Witness for 4 years. He has completed Bond Solon expert witness training and is instructed by Claimants and Defendants in personal injury and clinical negligence cases.

CLINICAL EXPERIENCE: _____

Dr Ranganna is currently a Consultant Neonatologist at St Mary's Hospital, Manchester. He has been Simulation Lead for the past five years, where he has supervised three simulation fellows and developed a simulation programme for individual professionals, interprofessional and multidisciplinary learning.

Dr Ranganna graduated in India in 2000 and completed further paediatric and neonatal medicine training in Sheffield. He has been a consultant neonatologist since 2015 and has a special interest in neurodevelopment, simulation, medical education and training.

Dr Ranganna was neonatal reviewer for Each Baby Counts, a national quality improvement programme to reduce birth injuries. He is a college tutor for the department and deputy regional lead for the North-West.
