## MEDICO LEGAL EXPERIENCE:

Mr Neil Roberts is a Consultant in Cardiothoracic Surgery and an Expert Witness with over 7 years of experience, supported by excellent feedback from solicitors and barristers. He has completed Bond Solon training and is instructed by Claimants and Defendants.

Mr Roberts is instructed in cases relating to personal injury, clinical negligence, tribunal, Coroner's Court and criminal cases.

## CLINICAL EXPERIENCE:

Mr Roberts is currently a substantive cardiothoracic consultant with over 10 years of consultant practice, working within the NHS and privately and has performed more than 1,500 open-heart operations. He passed the FRCS (C-Th) during his fourth year of training in 2008, winning the McCormack Medal for the highest score in the UK and Ireland for that year.

Mr Roberts is also a teacher and trainer, being a faculty member for a number of national and international courses. He was elected as postgraduate Dean by the Society for Cardiothoracic Surgery in 2019 and a full College of Surgeons Examiner for the FRCS (C-Th). He was also Clinical Governance Lead for cardiac surgery at Bart's Heart Centre for over four years.
