MEDICO LEGAL EXPERIENCE:

Dr Elahi is a seasoned Dentist with a special interest in orthodontics and sedation. He has been an Expert Witness for over 5 years and is instructed in personal injury, clinical negligence, and serious/catastrophic injury cases by Claimants and Defendants.

CLINICAL EXPERIENCE:

A qualified dentist since 2001, Dr Elahi has amassed impressive additional qualifications throughout his career. These include a postgraduate Diploma from the Faculty of General Dental Practice, a Post Graduate Certificate in Sedation from Guy's Hospital, a Graduate Diploma in Law from Nottingham Trent University, a Legal Practice Course from BPP, and a Master's Degree in Law with a focus on Clinical Negligence (2018).

Dr Elahi also holds a Master's degree in healthcare leadership and is currently completing a Master's in Clear Aligner Therapy.

Dr Elahi has worked at various specialist practices in Orthodontics, and is currently working as a dentist with special interest in this area. He has been utilising clear aligners since 2010.

Dr Elahi currently practices in a mixed NHS/private practice in Sudbury, Suffolk, UK. He demonstrates a commitment to public service through his participation in charity initiatives like Dental Mavericks (Morocco) and Dental Aid (UK).

Actively involved in education and training, Dr Elahi serves as a PLVE supervisor and trainer, providing clinical supervision and training for dentists qualifying abroad.

He also contributes to Essex University's dental hygiene program, offering clinical training, assessment, and practical seminars.
