MEDICO LEGAL EXPERIENCE:

Dr Raymond Orr has been a partner in General Practice since 2003, including seven years as Senior Partner. He has been involved in over 100 appeal meetings and has a particular skill in determining disability appeals. He is instructed by Claimants and Defendants in personal injury and clinical negligence cases.

He has utilised the Bond Solon training programme and has completed over 250 reports in regard to personal injury. He has a very balanced ratio of 50/50. He has trial dates in his diary but is yet to attend Court.

CLINICAL EXPERIENCE:

Dr Raymond Orr spent two years working fulltime in Accident and Emergency during the pandemic.

He was a senior decision maker in the Emergency Department and has worked with a team of junior doctors to provide acute care in a busy Accident and Emergency.

He is also a Rural Emergency Physician, he spent three months in the department of Anaesthetics and Critical Care in the Queen Elizabeth University Hospital, Glasgow at the height of the covid pandemic gaining experience in critical care and advance airway management.

DR RAYMOND ORR

MBCHB MRCP MRCGP D. OCC. MED

GENERAL PRACTITIONER

Dr Raymond Orr has worked in the most deprived inner-city to remote and rural islands, from chronic disease management and acute emergency care. He has worked closely with two professors at Glasgow University on a number of areas surrounding deprivation and general practice.

Prior to Nursing Homes becoming a centralised service in Glasgow, Dr Raymond Orr looked after the medical needs of two nursing homes.
