## MEDICO LEGAL EXPERIENCE:

Dr Singh is a Consultant in Cardiology and an Expert Witness. He has completed Bond Solon Excellence in Medicolegal Writing.

Dr Singh has been an expert witness since 2022, the majority of his workload has been clinical negligence cases. He has a balanced ratio of CN and PI work and is happy to opine on condition and prognosis, breach of duty, liability and causation.

To further his Medicolegal activity he has taken training on Specialist Info - Clinical Negligence: England & Wales regulations. Reporting writing skills, Bond Solon - Courtroom skill and has attended various Medicolegal conferences.

## MR JAGDEEP SINGH

MBBS, MRCP, MD

### CONSULTANT CARDIOLOGIST

## CLINICAL EXPERIENCE:

---

Dr. Singh graduated with distinction from Malaysia in 2008 and was awarded the prestigious TMA Pai Gold Medal for Overall Best Student. He completed his early medical training in Kuala Lumpur General Hospital and moved to the UK to pursue an M.D. as an EASD-funded research fellow in heart failure and diabetes, focusing on SGLT2-inhibitors.

His research work in Malaysia and the UK has led to numerous publications and presentations in Asia, Europe and America, receiving multiple accolades including Best Speaker at the ASEAN Federation of Cardiology, the Fitzgerald Peel Prize, Highest Ranking Abstract at the British Cardiovascular Society's Annual Scientific Meeting and finalist at the British Society of Heart Failure's Young Investigator Award.

Outside of his research and medical education interests, Dr Singh is also a member of the British Cardiovascular Society's Guidelines and Practice Committee, the BMA's Scottish Council and American College of Cardiology's Fellows in Training International working group. He is actively involved with NICE for drug/technology appraisals, scoping workshops and as a Clinical Expert.
