MEDICO LEGAL EXPERIENCE:

Mr Khurana has been medicolegal expert for over 11 years, also holding a Masters Degree in Law. He maintains a healthy Claimant and Defendant ratio and is happy to opine on breach of duty, condition and prognosis, causation and liability. He produces over 200 reports per year dealing with complex personal injury or medical negligence. A quarter of these reports pertain to Clinical Negligence claims.

Mr Khurana's special interest include;

- Spinal trauma
- Metastatic spinal tumours
- Complex degenerative spinal surgery (including neck and back)

CLINICAL EXPERIENCE:

Mr Khurana has completed MSc in Orthopaedic Engineering at Cardiff University and uses a deeper understanding of mechanical principles in treating patients. After Mr Khurana completed his accredited fellowship at the prestigious Spinal Unit in Queen's Medical Centre, Nottingham, he gained extensive experience in all aspects of spinal management, especially in spinal deformity, metastatic spinal pathology, microscopic and minimally invasive surgery.

He furthered his knowledge by training with spinal neurosurgeons increasing his understanding of the spinal pathology from both an orthopaedic and neurosurgical perspective.

Mr Khurana was awarded a travelling Fellowship to the world-renowned Spinal Unit at Queen Mary Hospital, Hong Kong.

Professional Memberships:

- British Association of Spinal Surgeon (Exec team member)
- British Scoliosis Society
- British Orthopaedic Association
- British Medical Association
- British Indian Orthopaedic Association
