Mr Panchmatia was awarded Best Spinal Surgery Expert Witness 2024.

Mr Panchmatia welcomes personal injury and clinical negligence claims, for Claimant, Defendant and joint cases.

Mr Panchmatia accepts both civil and criminal instructions. He offers nationwide clinics and home and prison visits.

## CLINICAL EXPERIENCE:

Mr Panchmatia studied Medicine at Cambridge University. This included a clinical attachment at Yale University, USA. He furthered his education as a Fulbright Scholar at Harvard University, USA and was a visiting scholar at the Barrow Neurological Institute. He was subsequently awarded a Trauma & Orthopaedic Spine Fellowship at the Johns Hopkins Hospital, USA.

In 2015, he was appointed as Consultant Trauma & Orthopaedic Surgeon at Guy's and St. Thomas' Hospitals, London (GSTT) specialising in spinal surgery. He is also the Clinical Governance Lead for trauma and orthopaedic surgery at GSTT. He treats elective and acute spinal conditions, offering both non-surgical and surgical treatments.

Mr Panchmatia has presented internationally, and is published widely in orthopaedic and neurosurgical journals. These include articles in Neurosurgical Focus and the Spine Journal. Topics covered include conditions that affect the cervical spine, thoracic spine, lumbar spine, and sacrum. He is a member of the British Scoliosis Society and the British Association of Spine Surgeons. He was awarded the Sir Robert Jones Gold Medal and British Orthopaedic Association prize.

He trains registrars and fellows in spinal surgery at Guy's and St. Thomas' Hospitals. He has lectured at Cambridge University. He has presented to large audiences including the British Association of Spine Surgeons and the North American Spine Society.
