

MR SACHIN MALDE

CONSULTANT UROLOGICAL SURGEON

MSC, FRCS, MRCS, MBBS, BSC

GMC NO: 6143122

Guy's and St Thomas' Hospital
(2016 - Present)

EXPERT INFORMATION

SPECIALIST AREAS:

- Bladder and prostate disease
- Chronic urinary tract infection (UTI)
- Incontinence surgery

CASES ACCEPTED:

Claimant age: 16+

- Clinical assessments
- Remote assessments
- Home visits
- Prison visits
- Criminal cases*
- Screening reports
- Desktop reports
- Family cases*

*Case-by-case

MR SACHIN MALDE

CONSULTANT UROLOGICAL SURGEON

MSC, FRCS, MRCS, MBBS, BSC

CASES RELATING TO:

Personal injury and clinical negligence cases relating to: Bladder:

Female urology:

- Urinary tract fistulae:
 - Vesicovaginal
- Vaginal mesh complications:
 - Tension-free vaginal tape (TVT)
 - Transobturator tape (TOT)
- Pelvic floor disorders
- Sphincter disorders
- Obstetric urological injury
- Impact on employment and daily living
- Need for ongoing catheterisation
- Vaginal reconstruction

Functional urology:

- Neuro-urology:
 - Brain injury voiding dysfunction
 - Cauda Equina Syndrome (CES)
 - Bladder overdistension injury
- Overactive bladder (OAB)
- Urinary incontinence
- Botox injections for an overactive bladder
- Robotic surgery for stress urinary incontinence
- Percutaneous tibial nerve stimulation for overactive bladder
- Chronic urinary retention
- Artificial urinary sphincter
- Painful Bladder Syndrome (PBS)

- Blood clots in the bladder
- Bladder problems related to incomplete cord injury
- Refractory bladder problems
- Sacral Neuromodulation (SNM)
- Bladder injury following pelvic trauma
- Bladder cancer
- Bladder removal

Other:

- Urethral injury after pelvic trauma
- Urological consequences of spinal cord injury/pelvic fracture
- Scrotal/testicular injury (RTA/bike)
- Latrogenic ureteric injuries
- Colorectal
- Urodynamics
- Prostate cancer
- Prostate enlargement
- Urinary tract infections (UTI)
- Endourology
- Rectourethral
- Male sling
- Rezum
- Urolift
- iTind
- Laser prostate surgery
- Benign Prostatic Hyperplasia (BPH)

MEDICO LEGAL EXPERIENCE:

Mr Sachin Malde is a Consultant Urological Surgeon and has been an expert witness since 2024. He completed Bond Solon training, furthering his knowledge on court-room skills and report writing, and has developed a comprehensive understanding of the civil procedure rules. He is also a member of the UK Register of Expert Witnesses and the Medicolegal Society.

Mr Malde accepts instructions from both claimants and defendants, and can opine on cases relating to breach of duty, causation, condition and prognosis, liability, personal injury, and clinical negligence. He has reported on a variety of cases covering the full breadth of urology, including, but not limited to, neuro-urology, vaginal mesh complications, bladder and prostate cancer, and Benign Prostatic Hyperplasia (BPH).

He has particular specialist knowledge in chronic urinary tract infections (UTIs), bladder and prostate disease, and incontinence surgery. He also has considerable experience in assessing serious incidents, performing root-cause analyses, and medico-legal reporting in his role as Clinical Governance Lead at Guy's and St Thomas' Hospital.

He is available to provide oral evidence in court when required.

CLINICAL EXPERIENCE:

Mr Sachin Malde is a Consultant Urological Surgeon at Guy's and St Thomas' Hospital, London. He qualified from Guy's, King's and St Thomas' School of Medicine in London in 2006, and completed his postgraduate research into the evaluation of men with incontinence after prostate surgery at University College London, for which he won the Gold medal for outstanding research.

He underwent specialist fellowship training in female urology, functional, neuro-urology, and reconstructive urology at the University College Hospital in London, and now leads this specialist service in one of the largest urology departments in the UK.

He has published extensively in peer-reviewed journals and is a panel member of the European Association of Urology Guidelines in Urology. He is also an undergraduate and postgraduate tutor in urology for King's College London Medical School and the London Deanery Urology trainees.
