## MEDICO LEGAL EXPERIENCE:

Dr Rajan is a Consultant in Pain and Anaesthesia and an Expert Witness. He has completed the Cardiff University Bond Solon training and is experienced in writing reports for personal injury and clinical negligence cases involving chronic pain.

Dr Rajan has also had involvement in criminal cases.

Dr Rajan started his medicolegal practice in 2021 and has conducted over 100 assessments and reports in that time. The majority of his workload has been personal injury, but he has had some experience with clinical negligence cases, looking at condition and prognosis, breach of duty, liability and causation. Whilst he has received witness summons he is yet to attend trial.

## CLINICAL EXPERIENCE:

Dr Rajan has a background working in a tertiary referral, specialist pain service, having trained in London and the North West.

He is faculty tutor for pain medicine at Salford Royal, the Manchester University lead for undergraduate pain medicine, and is regional lead on the faculty of pain medicine advisory group for undergraduate education for the North West. He is also a member on the British Pain Society Education Committee.

Dr Rajan has a special interest in minimally invasive treatments and uses techniques such as radiofrequency ablation to help patients manage and reduce their pain. He works closely with neurosurgical, spinal, and orthopaedic colleagues to ensure the best possible outcomes are achieved.

Dr Rajan has numerous different educational leadership roles within pain medicine and a research interest in pain and metabolic disease.

He conducts acute pain ward rounds and see both chronic and cancer pain patients. Led the development of a new clinical service aimed at the successful triage and treatment of chronic fatigue and fibromyalgia patients working with psychologists, managers and endocrinologists.
