MEDICO LEGAL EXPERIENCE:

Dr Dhanji is a highly experienced General Practitioner and accredited Expert Witness, regularly instructed by both Claimants and Defendants in personal injury matters. He holds the Inspire Medilaw Certificate in Medico-Legal Practice, reflecting his formal training and commitment to high standards within the medico-legal field.

A diverse clinical background spanning both the NHS and private healthcare sectors, Dr Dhanji has developed a well-rounded and practical approach to patient care. He has since established his own successful private GP service. In addition, he brings over 10 years of experience in aesthetic medicine, alongside a strong foundation in surgical specialities, with a particular interest in dermatology.

Over the past 8 years as a medico-legal expert, Dr Dhanji has produced a significant volume of reports across a broad range of cases. His experience includes both high-value claims and lower-value, whiplash type injuries. To date, he has completed in excess of 15,000 medico legal reports, demonstrating both consistency and depth of expertise in this area.

Dr Dhanji is known for his efficient turnaround times, with reports often delivered within 24 hours of the claimant assessment where required. He offers flexible appointment options, conducting assessments either in person at his fortnightly clinics in Scotland based in Glasgow and Edinburgh or remotely via Teams or Zoom, depending on the needs of the claimant and the case.

He is committed to delivering a professional, thorough and reliable service, with a strong emphasis on clear communication and timely reporting.

CLINICAL EXPERIENCE:

Dr Dhanji graduated from the University of Manchester in 2010 and qualified as a General Practitioner in 2015. During the early stages of his career, he gained broad clinical experience across a wide range of medical and surgical specialities, building a strong and well-rounded foundation that continues to inform his practice today.

He has over 15 years of medical experience, Dr Dhanji now divides his time between working part-time as an NHS GP and running his own private clinic, KHD Aesthetics. Within his private practice, he provides high-quality general medical care alongside advanced aesthetic treatments.

Dr Dhanji has undertaken specialist training in aesthetic medicine and is recognised for delivering safe, effective, and natural-looking results tailored to each patient's individual needs. His clinical approach is both holistic and patient-centred; he takes the time to fully understand each patient's medical, psychological, and emotional wellbeing, allowing him to develop personalised treatment plans that support long-term health.

A strong advocate for the core principles of General Practice, Dr Dhanji places great importance on continuity of care and the trust his patients place in him. He is committed to delivering a professional, compassionate, and reliable service at all times.
